| 4       |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 5       |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 6       |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 7       |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 8       |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 9       |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 10      |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 11      |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 12      |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 13      |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 14      |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |
| 15      |                   |          |                             |                       |              |  |   |                                  |   |   |  |             |                 |  |     |

I hereby certify, as required by the Act 10 Edw. VII., and 1 Geo. V., cap. 11, that the foregoing Return is correct, according to the best of my knowledge and belief.

*James Lurnan* Signature of Enumerator.

I believe the foregoing to be a true Return.

(Witness) *Philip Mulvaney* Signature of Head of Family.  
*James Lurnan*
