

PERMISSION TO PHOTOGRAPH

I would like to apply for permission to use a digital camera/device to photograph the documents listed below which are in the custody of the National Archives. I understand that permission will not be granted if a surrogate copy already exists.

I declare that:

- The digital images will be for my private use and research only; I will not exhibit or publish them in any format.
- I understand that original documents are unique historic records and I will handle them with due care and respect.
- I will not use flash photography.
- No surrogate copy of the document(s) exists.

Documents photographed during research
